General Issues: Resolve in accordance with the Asian Senior Bowling Council Rules and Regulations.

Technical Issues: Resolve in accordance with the spirit of the WTBA Rules and Regulations.

8.2 Tournament Format

8.2.1 Style of Play

Each game shall be bowled on a pair of lanes. Teams and/or individuals shall successively and in regular order bowl one frame on one lane, and on the next frame alternate and use the adjoining lane until five frames are bowled on each lane of the pair, completing the game.

When there is a question concerning which of any two bowlers shall bowl first, it is incumbent upon the bowler on the right to do so.

8.2.2 Competition Procedure

8.2.2.1 Singles

These 16 games shall be bowled over two days, 8 games on the first day and 8 games on the second day according to a pre-arranged schedule.

Position number for the pre- arranged schedule shall be decided by draw. However, the Technical Committee will select position numbers for players from the same federation to ensure such players will compete against each other within the first 8 games.

8.2.3.5 Bowling on Wrong Lane

A ball shall be declared dead and the player or players required re-bowling on the correct lane if no more than a total of 4 individual frames have been bowled on a pair of lanes by the players for Singles, Doubles, Trios and Team.
