# IBF WORLD CUP 2022 PRESENTED

## BY QUBICAAMF

### RULES, FORMAT, SCHEDULE & FAQ

#### We are:

- The international governing body for the sport of Tenpin, Ninepin and Para Bowling
- Recognised by the International Olympic Committee and International Paralympic Committee
- 115 Member National Federations
- Five Continental Zones

#### We have identified an opportunity:

- The journey of a bowler starts and ends in a bowling center
- The global stage has not existed
- Bowling is a sport hidden behind a leisure activity

#### We need a truly elite international event, an Olympic format event:

- The true test of teamwork
- Competing as an individual and as a team
- Singles for points and ranking
- Team for the title
- Every game matters
- Endurance of body and mind

#### The ultimate test:

- World Cup is a test for the best bowling federation in the world.
- World Cup was formerly an individual event
- Starting in 2022, World Cup will re-launch as the best Team event in the world.
- Occurring every other year starting from 2022 we will see the best of the best compete for the most prestigious team award in bowling.
- Working both individually and as a team to create epic battles between nations.
- Gather points for your federation team in the individual round then all come together as one in baker format where strategy plays a huge part of the team composition.
- In the teams round it's truly federation versus federation, all the way from group play through quarter finals and semi-finals all the way to the grand final.
- Skill, endurance, knowledge, and strategy must all be on top to be able to walk as champions.
