Precautionary Measures taken by the Organizing Committee

1. All internal communications regarding suspected COVID-19 cases should preferably be made by telephone and whatsapp. A Whatsapp Group which would include Chairman, HKTBC Secretariat, Tournament Director and Team Managers will be formed for report of emergency matters and COVID-19 infection among the participating teams. **Team Managers have to collect photos of RAT test kit of their team for record purpose and informed the HKTBC through the Whatsapp Group the test results (With names, dates and time of the tests of their team) of all their officials/athletes to the HKTBC every morning before entering bowling centre.** If result is positive, he/she will be reported to the Centre for Health Protection for self quarantine arrangement. Government will send anti-epidemic kit to the infected person. Mandatory Self-isolation in HK is required until RAT test is negative and then he/she can return to Hometown.
